This year, help a middle school student

fall in love with science!

LETTERS TO A PRE-SCIENTIST IS

GROWING

AND WE NEED YOUR HELP TO RAISE \$15000!

LPS connects STEM professionals with middle school student "prescientists" in underserved communities, to foster their love of science and encourage them to pursue STEM careers. Your donation will help to launch this program in more schools.

Visit http://prescientist.org/fundraisingcampaign to donate!

Suggested donation levels:

- \$15 buy a book of stamps for pre-scientists' letters
- \$25 pay for the background check of one classroom volunteer
- \$50 sponsor one pre-scientist/scientist pair for one year
- \$100 fund a hands-on lab in one of our classrooms
- \$250 rent a bus to take students on a science field trip
- \$500 get us set up to produce videos that enhance science instruction
- \$1000 sponsor a team member's trip to our first LPS training meeting
