

This year, help a middle school student

fall in love with science!

LETTERS TO A PRE-SCIENTIST IS

GROWING

AND WE NEED YOUR HELP TO RAISE \$15000!

LPS connects STEM professionals with middle school student "pre-scientists" in underserved communities, to foster their love of science and encourage them to pursue STEM careers. Your donation will help to launch this program in more schools.

Suggested donation levels:

- \$15** – buy a **book of stamps** for pre-scientists' letters
- \$25** – pay for the **background check** of one classroom volunteer
- \$50** – sponsor one **pre-scientist/scientist pair** for one year
- \$100** – fund a **hands-on lab** in one of our classrooms
- \$250** – rent a bus to take our students on a **science field trip**
- \$500** – get us set up to **produce videos** that enhance science instruction
- \$1000** – sponsor a team member's trip to our first **LPS training meeting**

Visit <http://prescientist.org/fundraisingcampaign> to donate!

Letters to a Pre-Scientist is a project of Social Good Fund, a 501(c)3 non-profit.
